Proposed Rule Change (provide desired language and intent of rule):

1.9 NSPPR E. An animal desiring to compete in NSPPR may apply for registration at a sanctioned show with an ASPC/AMHR/ASPR licensed Steward and is eligible to compete once application is completed and fee paid to said official. Owner must have a copy of the Shetland or Miniature Horse certificate of registration, both front and back showing the current owner of the animal to be submitted with the NSPPR application. No NSPPR animal will be given registration at the ASPC Congress, all registrations must be completed prior to the start of the show.

Reason/Justification for Rule Change (provide brief description of why this rule needs to be changed or added): This would allow for animals to be registered and compete at shows without delay at the local level similar to the registration of ASPR ponies.
