Section 11, Article 4.7 part A #5

Delete: "Side checks, breeching, or thimbles are optional."

Add: Breeching is required for all vehicles.

Proposed Rule Change:

5. Side checks or thimbles are optional. **Breeching is required for all vehicles.** Tying down of tongues is prohibited. Bridles should fit snugly to prevent catching on the vehicle or other pieces of harness. A throatlatch and a noseband or cavesson is mandatory. Open bridles are permitted, but are not encouraged.

Justification:

Breeching should be required for all vehicles for safety reasons. Breeching is the breaking mechanism for most carriage vehicles. It is for the safety of the ponies and exhibitors to add this rule change.
