Reason/Justification for Rule Change (provide brief description of why this rule needs to be changed or added):

I think it is unfair that spouses of trainers can't be amateurs however family members can be. There are situations where family members even live with the family member that is a trainer so this change cleans up the rule to exclude spouses and family members from ~~being~~ competing as amateurs.

Section 11, Article 4.7 , Part F, #2

Delete: This entire class

Proposed Rule change: To eliminate Classic Carriage Turnout from Rule Book.

Justification:

This class should be eliminated because it would align with other classes. For example, each division of classes have four different categories such as the breakdown of Open, Youth, Amateur, and Stakes. Currently with the carriage stake classes, there are five separate classes not including single run pattern classes. Elimination of Classic Carriage Turnout would create equality amongst the different division of classes offered at local and national shows.
