### STUD BOOK ONLINE

#### Explanation of Process

A current member of ASPC, Inc. that desires to purchase entry to the Stud Book Online will submit to the National Home Office the appropriate fee in the form of a check, money order, credit card or PayPal information.

Additionally, the member should select a personal "Password" to secure entrance into the online databases. This office, in turn, will assign a "User Name" which, together with the password, will grant permission solely to that one person (not to be shared or transferred to another person) to access the Online Stud Book.

The fee is \$50.00 per year for up to 3000 "hits". A "hit" is counted with each database request for a new registration number.
