Proposed ASPC/AMHR Rule Change (Must be typed – Must include Section, Article Part & Item Info)

Section, Article, Part & Item Number: Sec. IV, Article 1.7.1 Part A Page #78

Indicate: Add or Delete: Add: Pinto Horse Association Of America Miniature Horse Division

Proposed Rule Change (provide desired language and intent of rule):

A. The horse must have been registered with the American Miniature Horse Association or Pinto Horse Association Of

America-Miniature Horse Division, provided all proper paperwork is filled out and a copy of the registry papers along with

the AMHR Height Verification form (measured and filled out by a licensed ASPC/AMHR/ASPR steward and examined by

an ASPC/AMHR/ASPR judge) and is submitted with the application and fees to the AMHR.

Reason/Justification for Rule Change (provide brief description)

PtHA registers both the "A & B" size miniature horses (including solids) and AMHA does not, so more miniature horses will be eligible for the AMHR registry

Having to have a steward Height Verification form and be examined by a judge insures only quality horses are registered. This will help increase revenue for the

organization and clubs from hardship fees, membership & registration fees including future foals, and increase show entries due to the increase in registrations.
