Reason/Justification for Rule Change (provide brief description of why this needs changed/added)

This was just the 1st year class list when the Western Stock Halter division was first introduced as rated for shows to use. It's been over 5 years since this division has come out, I feel like it has proven successful that it is time to do away with this 1st year list and have shows use the list that is provided by allowing the split between junior and senior horses and award champion for each sex. I feel that the biggest weakness we have seen within this division is the junior classes and I think if we see more shows add these classes to their lineup, we will see more junior horses in this division. I would like to see this become an extraordinary rule change as I think this change needs to happen now rather than later.

Proposed Effective Date: 2024
