Proposed Rule Change (provide desired language and intent of rule):

All miniature horses including foals of current year who do not possess a validated permanent card of the current year must be measured at the AMHR National Show or present a validated 60 day measurement card that expires on or after the last scheduled day of the AMHR National Show.

Reason/Justification for Rule Change (provide brief description)

This would encourage increased participation at local shows during the month of August. In prior years, several of these shows have been cancelled due to lack of participation. This would also encourage more entries at Nationals.
