Letter From the President

Good morning as I write this,

I want to begin by reminding everyone that your Board of Directors are here to serve you. We are a member-owned organization, and that means your voices, your concerns, and your successes are at the very heart of everything we do. We don't take that lightly.

This past year has brought great sorrow with the loss of several of our cherished Licensed Officials and dear friends. Their passion, dedication, and contributions to our Shetland community will never be forgotten. To those we've lost - thank you. You leave behind a legacy that will continue to inspire us all.

As we move forward into this show season, I hope we carry ourselves with integrity, fairness, and respect. Let's commit to

doing what is right - by each other and by the rulebook. And above all, let's recognize and appreciate each other not as competitors, but as equals, united by our shared love for these incredible ponies.

Thank you for your continued support and commitment to this organization.

With appreciation,

Rob Crater

Important Registration Guidelines

Important Registration Guidelines

When submitting registration work, you must include the original certificate, not a photocopy. The only exception is if you have lost the certificate and are requesting a duplicate.

When submitting an AMHR certificate for permanent status, you must include the height of the horse measured from the last hair on the mane. Please do not send work in for permanent status until the horse has reached its actual sixth birthday. For example: If an animal was born July 7, 2015, we cannot update to permanent status until July 7, 2021.

When submitting a certificate for transfer, please make sure that the seller has signed and dated the application and the buyer's information has been completed.

When Submitting Photos:

If you choose to use photographs on your registration work, please make sure they meet the following criteria:

Correct Side View

Unacceptable Front View

Correct Front View

Photos should be no smaller than 3" x 5" and no larger than 4" x 6". Please write the horse's name on the back of the photo.

The animal may have a halter on and should be groomed/clean so that the color and markings show correctly.

Left AND Right Side: full standing profile from ears to hooves and nose to tail if the ears, muzzle, tail or hooves cannot be seen in the photo, the photo is unacceptable and will not be used. In either the left or right side photo, the animal's head should be turned toward the photographer to show the full face and the forelock should be off to one side so any facial markings can be observed.

Front View: Animal should be facing photographer squarely; full front view must include front legs; forelock should be off to one side.

Rear View: Photographer should be squarely behind the animal; full rear view must include rear legs. Tail should be straight down. If the tail is hiding markings, it may be pulled off to one side.

Once the animal has received a certificate with photos, new photos may be sent with future registry work, however, they are not required unless there are color or marking changes or the owner desires a photo update. When you are submitting additional paperwork for something pending at the home office, please make sure to include a note that your work is already there and what you are submitting is needed to complete the work already at the office. This will make things much easier for our registrars and get your work back to you more quickly.

Please write the name of the horse on the back of each photo

Board of Directors Candidates

Area I (Open Seat)

Bill Eperthener

Together with my wife Fran, I reside in the beautiful state of Pennsylvania. Ponies have been a big part of my life and I am blessed to have been able to share with my two children and my two wonderful grandchildren. My passion for Shetland and Miniature horses has led me to many different activities and many wonderful people. I have gained fond memories and experience in my 40 years of showing, and breeding Shetlands. It truly has been a wonderful journey.

If elected, I will bring many years of experience with me. I have served on the Board of Directors and I have actively participated

in several key committees including the Judges Committee, Trainers Committee, Modern Committee and the Finance Committee.

I would be honored to be your Area I Director and I am dedicated to strengthening our organization. I want to hear from you our members! I encourage you to talk with me and voice your concerns and ideas on how we can work together to maintain the integrity and success of The American Shetland Pony Club Inc.

*Regards,
Bill Eperthener*

Area I (Open Seat)

Koren Luchetta

Hello Area 1 Members! I'm so excited to have the opportunity to run for the Area 1 Open Seat this year.

For those of you that don't know me, my name is Koren Luchetta, and I have been an

active member of AMHR/ASPC for well over half my life. As a kid, I rode hunter/jumpers but when my parents bought me my first Miniature Horse as a young teen, I was immediately hooked. Never in my wildest dreams would I have expected to gain a lifelong passion and career because of that first mini, but here we are. I'm pony obsessed and there's no turning back!

I've been operating a breeding program with my husband for close to 10 years, and running a successful training program for 5, which has allowed me to travel to different areas with all levels of competition. I have also made close connections with other area directors, which has given me unique insight into how directors can help the members in their area and keep our registry running smoothly.

On top of my businesses, I have helped host fun, friendly, and competitive horse shows in New York State, taught in person and virtual clinics, and I also currently sit on the Shetland committee for USEF to help promote the versatility of the American Shetland Pony.

I believe that my business experience and dedication to our amazing equine partners makes me an ideal candidate for the position. If I am elected as Area 1 director, I will bring a fresh perspective to the registry and I will work hard to meet the needs of our members and will always maintain an open-door policy. I can be reached via phone, email, or Facebook at any time to any member that needs a question answered, a concern addressed, or even just to chat!

*Thank you for your consideration,
Koren Luchetta.*

Area II (Open Seat) Amber Kildow

My name is Amber Kildow and I am running for ASPC/AMHR National Area II Director. I am a second-generation horse woman that was literally born with a lead rope in my hands. My childhood was spent working, training and showing ponies with my family and forming lifelong friendships within the pony business. My interest in small equine lead me to open a public training barn in 2000 and we have been operating under the Kildow Stables West banner for 25 years.

I have been the chairman of the Judges committee for 13 years, where I am responsible for continuing education and training of all new judges. I am a licensed judge and have adjudicated several National and International competitions, including ASPC Congress, AMHR Nationals and the European Nationals. I have also been an active member of several committees over the years, including the Classic Committee, Modern Committee, ASPR

Committee, Youth Committee and the Hearing Committee.

Fifty years in the business has afforded me the opportunity to watch this organization grown and flourish over the years. Our Youth and Amateur programs have grown by leaps and bounds. Our young pony programs (futura and sweepstakes) have seen unprecedented participation and growth and our Shetlands and Miniature Horses keep rising to the top in CDE and non-breed shows and playgroups. Our future as a breed is promising, but with growth you often deal with a few growing pains. The success of our organization is dependent upon how we deal with our "growing pains". Open communication, member focused decision making and board transparency are all needed to make sure we as an organization continue to flourish in the future. I will serve the Area II and all members with integrity and honesty! I can't wait to see what is in store for the ASPC/AMHR in the years to come!

*Kindest Regards,
Amber Kildow*

Area IV (Open Seat) Sherri Jolliff

I am running for the Open Seat for Area IV. It has been my honor to serve the members of my area and ASPC/AMHR/ASPR in this capacity for the past six and a half years. I'm excited

about the many new things we, as a board, have brought to the association. In addition to my director's seat, I have been a member of the executive committee for these six years, the 1st Vice President for 4 yrs, chair of the new Membership Development committee, the Show Committee, the Committee on Committees and the Vision 2030 committee.

The American Shetland Pony is an addiction that has run in my system since my childhood. My family raised and showed ponies before I was born and I now have the pleasure of seeing my grandchildren continue the tradition. Every summer we load up the truck and seek out new adventures at the pony shows. My oldest granddaughter, Addie, would ask, "where have we been this time?" so that she could share with her friends when she returned to school after the summer.

My stable, Cornerstone Shetlands, continues to breed Modern Shetland and Hackney ponies with the intent of continuing the lineage of Ramble Ridge Rocket, Kilbros Willie Doo and other great names within the ASPC.

My desire is to continually promote the athleticism, beauty and refinement of these tremendous animals. It was my honor to recently be announced as the 2021 Modern Breeder of the Year.

My newest endeavor has been show management. For the last several years, I have managed shows throughout the mid-west for the ASPC/AMHR, Gypsy Vanners, Drum Horses and other breeds. While this was intended to be a retirement job, I have yet to retire and continue to run my own business.

I bring leadership capabilities to my Board position, having served as a director for my local Chamber of Commerce, past-president and board member for the Rotary club (local, district, and state level), and president of the Central States Pony Association. One of my most humbling experiences was receiving the Citizen of the Year award by the Chamber for service to my community.

I will continue to serve the ASPC/AMHR with integrity. I will make myself available to members with concerns and suggestions because I feel we all have a desire to see the ASPC/AMHR prosper and grow in the right directions.

*Sincerely,
Sherri Jolliff*

Board of Directors Candidates

Area VI (Shetland Seat)

Andrea Barth

Greetings ASPC members! My name is Andrea Barth, and I am running for re-election to the open board position, pony seat, for

Nursing, Nursing Education, from Purdue Global. I have since worked as a full-time nursing instructor in the lecture, lab, and clinical settings. These professional experiences have allowed me to serve on committees and utilize professional standards and models to initiate best practice. My professional involvement in the industry has allowed me to understand the needs of owners, breeders, trainers, exhibitors, judges, and stewards. In addition, as a senior carded judge in all divisions of ASPC/AMHR, I am able to understand the industry from both the exhibitor and judge perspectives.

Area VI. I would like to take this opportunity to reintroduce myself and illustrate how my experience best suits me to represent ASPC and continue in this role. I have been active in the miniature horse and Shetland industry since age seven.

Over the last three decades, I have expanded my knowledge and understanding of the breed and equine industry through education, research, and involvement on a local and national level. Growing up in Minnesota, I served as the treasurer for the Minnesota Miniature Horse Club for many years and volunteered my time to promoting small equine to new members and youth. In 2008, I earned my Bachelor of Science degree in Animal Science with an emphasis in pre-veterinary medicine and equine studies from the University of Wisconsin River Falls.

In 2011, I earned my Bachelor of Science degree in Nursing from Allen College. The role of a registered nurse has taught me how to therapeutically communicate with others, maintain professionalism and positivity in the most difficult times, and advocate for individuals who are not able to stand up for themselves. I have received leadership recognition and innovation recognition throughout my nursing career, served as a preceptor for many future nurses, and taught students in the clinical setting for the past ten years. In 2018, I graduated with my Master's in

I am actively involved in ASPC/AMHR. I have attended many conventions over the past 18 years. I am currently active as co-chair of the modern committee and actively participate on the show committee. I speak up for what I think is best for the registry and present new ideas related to efficiency and use of technology, financial responsibility, and best practice. I advocate for the suggestions and needs for members of Area VI. I have volunteered for many years and facilitated the junior judging at both Congress and Nationals, and our business continues to sponsor shows and events at the local and national levels.

In the board of director role, I listen and communicate with transparency and advocate for the needs and wants of the membership. I treat the role with utmost professionalism and accountability. Please do not hesitate to reach out to me at showtimetrainingcenter@gmail.com or 319-429-6443.

I look forward to seeing many of you at shows this summer, and I would greatly appreciate your vote.

*Respectfully,
Andrea Barth*

Area VII (Shetland Seat)

Julie Mabie

Greetings to all our Area VII members and all our ASPC/AMHR/ASPR family.

It has been my pleasure to serve as the Area VII Shetland director. I am again wanting to represent you all

on the ASPC/AMHR Board of Directors.

My husband Ken and I operate Whisper Equestrian Center in Aptos, California where we have our wonderful herd of American Shetland ponies with a few double registered minis sprinkled in.

We started with ASPC Shetlands with our children in

mind and continue to promote the fun with our 9 grand children. Never did I imagine that many grandchildren.

Over my tenure on the ASPC board I have helped promote not only our Shetlands but our mini's as well. We are a family and need to support one another. As ASPC members we have been experiencing many challenges in the last few years but just like our little equines we just keep plugging along.

It would be my honor to work for Area VII members and association members as a whole in the future.

*Kind Regards,
Julie Mabie*

OFFERING EXCEPTIONAL DOUBLE and TRIPLE REGISTERED HORSES & FOALS FOR SALE!

WHY KEEPING YOUR WEBSITE UP TO DATE

... matters more than you think

In the digital age, your website is often the first impression potential buyers, breeders, and enthusiasts get of your miniature horse or pony operation. Whether you're showcasing your stallions, listing horses for sale, announcing show wins, or offering breeding services, an outdated website can unintentionally send the wrong message - one of neglect, irrelevance, or even that you're no longer in business.

Let's talk about why it's crucial to keep your equine website fresh, functional, and up-to-date ————— ➡

FIRST IMPRESSIONS MATTER ...

If a visitor lands on your homepage and sees that the last update was from 2019, they might wonder if you're still active in the industry. A current, clean, and visually appealing website conveys professionalism, trustworthiness, and pride in your program.

In the world of miniature horses and ponies, where reputation is everything, that first impression can make or break a potential sale or inquiry.

HORSES CHANGE, SO SHOULD YOUR LISTINGS ...

Foals are born, horses are sold, and breeding pairs are updated all the time. Leaving sold horses on your website without marking them as sold (or worse, never removing them) can frustrate buyers and waste both your time and theirs.

Regular updates ensure your sales page reflects your actual inventory, making it easier for serious buyers to reach out. It also shows that you're organized and actively managing your program.

STAY RELEVANT IN SEARCH RESULTS ...

Search engines like Google favor websites that are frequently updated with new content. That means the more you add blog posts, new photos, updated stallion information, or show results, the better your chances are of being found when someone searches for “miniature horse or pony breeders in [your state]” or “ASPC /AMHR stallions at stud.”

If you're not updating your site, you could be buried in search results beneath other, more active breeders, even if your horses are far superior.

SHOWCASE YOUR WINS AND MILESTONES ...

Have you won a national title, had a foal with perfect conformation, or been featured in a magazine? These wins are marketing gold, and your website is the perfect place to highlight them. When visitors see your success, they're more likely to want to be a part of it, whether by buying a horse, booking a breeding, or just following your farm journey.

KEEP CONTACT INFO AND FORMS WORKING ...

Broken links, outdated email addresses, or non-functional contact forms can cost you sales and leads. Regular checkups ensure everything works the way it should and that you're never missing out on a message from a potential buyer.

MOBILE RESPONSIVENESS IS A MUST ...

More people are browsing websites on their phones than ever before. If your website hasn't been updated in years, it may not be mobile-friendly. That can lead to slow load times, distorted images, or even entire pages that are hard to read on smaller screens. A quick update can make your site more responsive and easier for buyers to use.

TELL YOUR STORY -YOUR WAY ...

People don't just buy miniature horses or shetlands, they buy into a story, a brand, a lifestyle. Updating your “About” page as well as your social media pages with behind-the-scenes looks at your foaling season, show prep, or farm improvements builds a connection. A regularly updated website and social media pages helps people remember you, recommend you, and return to you.

FINAL THOUGHTS :

Your website is your online barn door, it should swing open easily, welcome guests with pride, and clearly show what makes your pony or miniature horse program worth noticing.

In a market full of talent, bloodlines, and beautiful horses, keeping your website up-to-date is one of the simplest and most affordable ways to stand out from the herd.

A PROGRAM DESIGNED TO GIVE BACK

The Super Gelding Program was established to encourage exhibitors to showcase their geldings while providing financial rewards and recognition for their efforts. Through a structured nomination process and a competitive points system, owners have the opportunity to secure winnings and prizes while promoting their horses' achievements.

HOW IT WORKS

For a nominal fee, exhibitors can nominate their geldings to compete in either the halter or performance categories.

The nomination fee structure is as follows:

\$25.00 for entry into either the halter or performance category

\$50.00 for entry into both categories

Nominations are open from October 1st to March 1st of the current show year. For example, if participating in the 2025 show season, nomination fees must be submitted by March 1, 2025. Once nominated, points will be accumulated from January 1st to December 31st of that show year. Plan to nominate your gelding in 2026!

SPRING TIME IS HORSE FAIR TIME

From Area VI – Midwest Classic Shetland Breeders Association

Written by Lois Hallberg and Cynthia Faas

As the chill of winter gives way to the warmth of spring, horse enthusiasts across the country eagerly anticipate Horse Fair Season and Iowans are no different.

With a rich history rooted in the Midwest, Shetlands hold a special place in Iowa's equine culture. The majority of the first Shetlands imported to the United States were sent to Iowa, and the first American Shetland Congress was held at the Iowa State Fair's National Horse Show in 1947. The connection between Shetlands and Iowa continues to flourish through breed-specific clubs like the Midwest Classic Shetland Breeders Association (MCSBA).

Four MCSBA families brought their prized equines, representing several divisions under the ASPC banner, and offered engaging exhibitions throughout the three-day event.

Lauren Faas of Pheasant Ridge Farm showcased the spirited nature of the ASPR division with Heartlands Sunup Sundown (Benny), highlighting the breed's Hackney influence with his expressive trot and refined carriage.

Dr. John Hallberg of Dbl. W WIN Farms introduced his Foundation Shetland, Dbl. W WIN Farms Zazzy Zizzy Zuez (Zazzy). The young mare was expertly handled by a twelve-year-old participant, demonstrating the gentle nature and versatility of the breed. Hallberg's gray stallion, Royal WIN Heavenly Gray Ghost (Boo), was presented in Stallion Avenue by trainer Lauren Faas. Boo's striking presence and adherence to the breed standard impressed attendees.

BL Stinging Response (Bullseye) represented the Miniature Horse division. He was confidently driven around the arena by youth member Mason DeSotel, with his younger brother Caleb sitting beside him. Owners Mason and Denise Wiles of Foster Woods Farm watched closely and were ready to assist if needed.

Cindy and Hannah Borst of Silent Night Miniatures presented two animals: Firefly's Heshe, a double-registered Classic Shetland, and their miniature, Jo Co Jim Jam (Jimmy). Both equines showcased the breed's potential in a variety of disciplines by completing a short obstacle course and jumping. Hannah and her ponies also competed in the "Ultimate Trail Challenge," designed for full-sized horses! Jimmy claimed top honors while Heshe earned a close second. The clean sweep demonstrated the intelligence, agility, and capability of the American Shetland Pony in challenging environments.

Cynthia Faas expertly served as Master of Ceremonies, narrating the exhibitions and providing historical insights into the breed's development and significance. Pamphlets detailing the ASPC's history and breed standards were available at the MCSBA booth. With the club's presence at the horse fair, visitors were given the chance to appreciate the charm, versatility, and exceptional qualities of these beloved American Shetland Ponies.

COLOR CODE

A Basic Overview of Equine Color Genetics

From the flash of a golden palomino to the rich gleam of a jet-black show pony, horse colors are more than skin deep. Behind every stunning coat is a complex map of genetics that breeders and enthusiasts alike can now explore with precision.

Welcome to the world of equine color genetics - where DNA is the artist, and your horse is the canvas.

The Basics: It Starts with Two Colors

At the heart of all horse colors lies a simple foundation: black and red pigment. These are determined by the Extension gene

(E/e), often referred to as the "Red Factor."

E (Black) - Dominant, allows black pigment

e (Red/Chestnut) - Recessive, no black pigment

Every horse has two copies of this gene:

EE or Ee = black-based

ee = red-based (chestnut/sorrel)

From this foundation, everything else is just a matter of modifiers and patterns.

Modifiers: Nature's Color Filters

Once the base is set, modifier genes step in to lighten, mute, or change pigment expression.

Cream Gene

One copy: Palomino, Buckskin, Smoky Black

Two copies: Cremello, Perlino, Smoky Cream

Also lightens skin and eye color.

Dun Gene

Adds primitive markings (dorsal stripe, leg barring)

Doesn't affect eye or skin color

Creates Grullo, Red Dun, Classic Dun

Champagne

Dilutes both skin and coat

Metallic sheen and freckled skin

Produces Amber, Gold, and Classic champagnes

Silver Dapple

Affects only black-based horses

Turns black coats to chocolate with flaxen or silver manes

Common in Shetlands, Miniatures, and Rocky Mountain Horses

Pattern Genes: The Splash of White

White spotting is controlled by several unique genes that often interact:

Tobiano: Smooth, rounded patches, usually crossing the topline

Frame Overo: Jagged side markings; risky in homozygous form (Lethal White Foal Syndrome)

Sabino: Roaning, high white legs/face

Splash White: Bold white, often with blue eyes

Leopard Complex (LP): Controls Appaloosa patterns like leopard, blanket, snowflake

Gray and Roan: Changing Over Time

Gray is a dominant gene that causes a horse to lighten over time - often born dark and gradually turning white.

Roan is stable from birth and features white hairs mixed with base color, but unlike gray, the head and legs usually stay dark.

DNA Testing: Your Breeding Crystal Ball

With modern testing, breeders can:

- * Predict possible foal colors
- * Identify carriers of rare or hidden traits
- * Avoid health risks (like LWO or night blindness)
- * Confirm color genetics for registry or sale

Sample Result:

Stallion: Ee Aa Cr/n → Black-based, bay modifier, cream carrier

Mare: ee Aa → Chestnut base with bay modifier

Foals could be: bay, buckskin, chestnut, or palomino

Why It Matters

Color isn't everything - but understanding genetics empowers responsible, intentional breeding. Whether you're trying to avoid a risky gene combination or just hoping for a flashy foal, knowing what's behind the coat helps you make smart decisions.

In Conclusion

Color genetics might sound complex, but it follows a beautifully logical system - just like the horses we love. With testing tools and knowledge at your side, the art of color breeding becomes a science you can master. So the next time you admire a golden mane or a spotted flank, remember: it's not just color - it's code.

Fun Fact Box: Did You Know?

- * Two chestnuts can't produce a black foal
- * A cremello isn't albino—horses don't carry a true albinism gene
- * Silver dapple only affects black, so a chestnut may carry the gene but show no signs
- * Homozygous tobianos always pass on the tobiano pattern

Amateurs are an important part of ASPC/AMHR/ASPR, and we're committed to elevating the experiences of amateurs every year.

Want to get involved or learn more? Reach out to the amateur committee—we'd love to hear from you!

Rule changes from the 2024 National Convention – Effective January 1, 2026.

Section XVIII, Page 335

Judges: Must be ASPC/AMHR/ASPR carded. National Area shows may use one (1) Judge for the Miniatures and one (1) Judge for the Shetlands, but may choose to use only one (1) Judge for the entire show if the show is not so large as to put undue stress on one (1) Judge. A National Area Show will count as three (3) Judges toward qualifying for the AMHR National Show. Apprentice judges are not allowed at National Area Shows, **except for designated Area shows that allow Modern apprentices outside the ring. No Nationals or Congress Judge can judge more than one National Area Show in the same year.** Passed at convention 43 – 0.

Alan Dial motioned to accept rule change. Donna Phillips seconded. For: Joel Rosenstern, Amber Kildow, Donna Phillips, Kelsey Kleve, Pat Sanders, Sherri Jolliff, Belinda Bagby, Lisa Rains, Andrea Barth, Tracey Slagle, Eric Tani, Julie Mabie, Alan Dial.

Foundation

In addition to the current process, alternately the resulting foal of a mating of one ASPC registered foundation sealed parent to a non-sealed ASPC registered parent may be "FOUNDATION TYPE CERTIFIED" after the pony's actual third birthday. A pony submitted for "Foundation Type Certified" must be 42 inches or under. The pony must possess the correct body type according to the

rulebook foundation standard. To Foundation Type Certify, the applicant must provide a Foundation Type Certification application, a measurement card taken within the last 60 days, a copy of the ponies current Shetland registration paper and the non-refundable evaluation fee to the National ASPC Office. The measurement card must be completed, the pony measured by an ASPC licensed steward and witnessed/signed by a carded ASPC/AMHR judge.

Three randomly selected volunteer judges, from a list determined by the Foundation Committee, will examine the candidates in person. Each judge will complete an evaluation of the pony to determine if the pony meets the foundation standard. These evaluations will be used by the ASPC National office to determine the outcome. Two of the three judges must concur that the pony meets type to grant the Certification. If the outcome is positive, the member submits the notification, measurement card, the appropriate registration fee and the pony's current registration certificate to the ASPC National office for the creation of a sealed registration certificate. Passed at Convention 31-9. Donna Phillips motioned to accept. Alan Dial seconded. For: Joel Rosenstern, Amber Kildow, Donna Phillips, Kelsey Kleve, Pat Sanders, Sherri Jolliff, Belinda Bagby, Lisa Rains, Andrea Barth, Tracey Slagle, Alan Dial. Against: Julie Mabie, Eric Tani.

Accounts Receivable Policy

Effective April 1, 2019

- All work orders must be accompanied by payment in the form of check, money order, Paypal or credit card. For your convenience, a credit card number may be put on file. If no payment is enclosed and no credit card authorization is on file, a \$20.00 fee will be assessed and full payment, including the fee, must be received prior to the work being processed.
- In the event that a check is returned to the office as “non-sufficient funds”, a fee of \$35.00 will be assessed and no further business will be conducted until restitution is made. This applies to all transactions including but is not limited to registrations, transfers, etc.
- Credit Cards that are declined while being processed will be assessed a fee of \$35.00 and no further business will be conducted until restitution is made. This applies to all transactions including but is not limited to registrations, transfers, etc. All credit card transactions will have a 4% processing fee.
- The billing cycle ends on the last day of every month. If for any reason your account has a balance not paid by the last day of the month following notification from the office, it becomes “Past Due 30-Days” and a \$10 fee or 1½% monthly finance charge, whichever is larger, will be applied.
- If your account is “Past Due 60- Days” final notification will be sent via registered mail that you are “not-in-good-standing.” If payment is not received within 15 days of the date on the letter, it will be turned over for collection and notification will be posted in The Journal. If this action becomes necessary, you will be responsible for all collection fees incurred. Be aware, that if referred to a collection agency for collection, this may affect your credit for up to 7 years or until the account balance and collections fees are paid in full.

Amateur Status Application

CURRENT MEMBERSHIP and amateur cards are required to participate in rated ASPC/AMHR/ASPR Amateur Classes. They will be issued for the year 2025 in compliance with the current ASPC Rulebook, which details amateur requirements and sets forth the controlling rules in detail.

- A. Regardless of one's equestrian skills and/or accomplishments, a person is an amateur for all shows conducted under ASPC/AMHR/ASPR rules who after his/her 18th birthday has not engaged in any of the following activities making the exhibitor a professional.
1. Accepts remuneration for riding, driving, showing in halter/in hand, training, schooling or conducting clinics or seminars.
 2. Accepts remuneration for giving instructions in equitation or horse training. (Persons acting as counselors at summer camps, who are not hired in the exclusive capacity of riding instructors, are excluded as are persons giving instruction and training to persons with disabilities).
 3. Accepts remuneration for employment in other capacity (e.g., secretary, bookkeeper, veterinarian, groom, farrier) and gives instruction, rides, drives, shows in halter/in hand, trains or schools horses, other than horses actually owned or leased by him/her, when his/her employer or a member of the family of said employer or a corporation which a member of his/her family controls, owns, boards or trains said horses.
 4. Accepts remuneration for the use of his or her name, photograph or other form of personal association as a horseman in connection with any advertisement or article to be sold.
 5. Accepts prize money in equitation or showmanship classes.
 6. Rides, drives or shows in halter/in hand, in competitions, any horse for which he/she or a member of his/her family or a corporation which a member of his/her family controls, receives remuneration for boarding, training, riding, driving or showing in halter/in hand;
 7. Gives instruction to any person or rides, drives or shows in halter/in hand in competitions any horse, for which activity another person in his/her family or corporation which a member of his/her family controls will receive remuneration for the activity.
 8. A husband, wife or cohabitant of a professional may hold an amateur card only if that person does not engage in any professional activities whatsoever (including as an assistant) as defined in the Rulebook.
- B. The following activities do not affect the amateur status of a person who is otherwise qualified:
1. The writing of books or articles pertaining to horses.
 2. Accepting remuneration for officiating as a steward, technical delegate, course designer, announcer or participating as a TV commentator, or accepting bona fide remuneration for services as a veterinarian, groom, farrier, tack shop operator or breeder, or for accepting bona fide remuneration for boarding services.
 3. Accepting reimbursement for expenses without profit.
 4. Accepting a token of appreciation, other than money, for riding, driving or showing in halter/in hand. (Note: Horse board, prize money, partial support or objects of more than \$1000 are considered remuneration, not small tokens of appreciation). Also note: accepting any amount of money, whether more or less than \$300 is considered remuneration.
 5. Having the occupation of veterinarian, groom, farrier or owning a tack shop or breeding or boarding stable in itself does not affect the amateur status of a person who is otherwise qualified.
- C. A horse shown by an amateur in AMHR classes must be owned or leased by the amateur. Leases must be duly recorded per the Rulebook (postmarked on or before Jan. 1). An owner is defined as a person holding title or members of the family as set forth in the Rulebook definition of "family."
- D. Amateur Incentive/Jackpot Classes: The person showing must own or lease the animal exhibited. Leases must be duly recorded per the Rulebook (postmarked on or before Jan. 1). See Incentive/Jackpot rules regarding ownership and Rule Book definitions of ownership (including family ownership).

Please complete this application and return to ASPC/AMHR office along with the \$20.00 fee.

\$25.00 FEE IF APPLICATION SUBMITTED AT AN ASPC/AMHR/ASPR SHOW.

NOTE: Individuals must show proof of amateur status at all shows. Individuals without cards or copy thereof in-hand may apply with show officials prior to entering amateur classes. \$25.00 FEE (US FUNDS) IF APPLICATION OCCURS AT ASPC/AMHR/ASPR SHOW. If an amateur card is lost or forgotten, a new application and fee are required.

AMATEUR PARTICIPATION: EARN \$500 PONY BUCKS!

NEW IN 2025: You can earn Pony Bucks when you enter amateur classes!
Prizes to awarded for the inaugural contest at the 2026 Convention (need not be present to win) and at subsequent conventions so long as the program remains active.

How does the program work?

- One winner per type (four winners total)--\$500.00 each:
 - ASPC
 - AMHR
 - ASPR
 - NSPPR
- At every show where you enter an amateur class, you earn a chance/ticket with each animal to win Pony Bucks at year end. Tickets are per show per type (ASPC, AMHR, ASPR, NSPPR) (not per individual class). Entries are electronically tracked; you as an exhibitor need do nothing. .

For every horse/pony you enter amateur, you win one chance to win per type (regardless of number of classes entered with that animal. *See examples in fn.1, below*). Area Nat'l Shows award double tickets.¹ The program runs during the competition year (ending December 31 per the standard show year) so that the drawing can occur at the next Convention (*e.g.*, 2025 show year ends 12/31/25 with awards to be drawn and occur at the 2026 Convention).

- Drawing: A drawing will be held at the annual convention gala to choose the winner. Need not be present to win (but you'll want to be ☺) First awards take place at the 2026 Convention.

¹ "Tickets" may be electronically generated and will be chosen randomly at annual conventions.

Examples of qualifications:

- A. My Little Pony shows in three Classic amateur classes (such as showmanship, western country and carriage) at a regular breed show: 1 ASPC ticket. My Little Pony adds a NSPPR amateur class: 1 additional ticket for NSPPR.
- B. My Little Pony shows the same classes at an Area Nat'l Show. These offer double tickets, so MLP's ammy garners: 2 ASPC tickets; 2 NSPPR tickets.
- C. The Amateur shows a miniature in several AMHR amateur classes and a pony in several APSC amateur classes: TWO chances to win entered for the drawing at the end of the year—one in the AMHR drawing; one in the ASPC drawing. If at an Area Nat'l Show, the total for this example would be 2 AMHR chances and 2 ASPC chances.
- D. The amateur shows five horses/ponies in one or more amateur classes each= FIVE chances to win from the regular show, assigned by type. Same scenario Area Nat'l Show: ten chances to win assigned by type.
