Important Registration Guidelines

Important Registration Guidelines

When submitting registration work, you must include the original certificate, not a photocopy. The only exception is if you have lost the certificate and are requesting a duplicate.

When submitting an AMHR certificate for permanent status, you must include the height of the horse measured from the last hair on the mane. Please do not send work in for permanent status until the horse has reached its actual sixth birthday. For example: If an animal was born July 7, 2015, we cannot update to permanent status until July 7, 2021.

When submitting a certificate for transfer, please make sure that the seller has signed and dated the application and the buyer's information has been completed.

When Submitting Photos:

If you choose to use photographs on your registration work, please make sure they meet the following criteria:

Correct Side View

Unacceptable Front View

Correct Front View

Photos should be no smaller than 3" x 5" and no larger than 4" x 6". Please write the horse's name on the back of the photo.

The animal may have a halter on and should be groomed/clean so that the color and markings show correctly.

Left AND Right Side: full standing profile from ears to hooves and nose to tail if the ears, muzzle, tail or hooves cannot be seen in the photo, the photo is unacceptable and will not be used. In either the left or right side photo, the animal's head should be turned toward the photographer to show the full face and the forelock should be off to one side so any facial markings can be observed.

Front View: Animal should be facing photographer squarely; full front view must include front legs; forelock should be off to one side.

Rear View: Photographer should be squarely behind the animal; full rear view must include rear legs. Tail should be straight down. If the tail is hiding markings, it may be pulled off to one side.

Once the animal has received a certificate with photos, new photos may be sent with future registry work, however, they are not required unless there are color or marking changes or the owner desires a photo update. When you are submitting additional paperwork for something pending at the home office, please make sure to include a note that your work is already there and what you are submitting is needed to complete the work already at the office. This will make things much easier for our registrars and get your work back to you more quickly.

Please write the name of the horse on the back of each photo

Letter From the President

As we close the chapter on another successful Congress and Nationals, I want to take a moment to express my gratitude to every individual who played a role in making both shows possible. Whether you volunteered your time, jumped in and helped, or simply showed up with a positive spirit, your efforts did not go unnoticed. We are truly fortunate to have some of the most dedicated and passionate members in our organization. Thank you to each and every one of you.

decision not to make major changes or disrupt existing plans. Instead, I chose to follow the path that had already been set. Throughout this time, I was reminded just how much our Board of Directors cares for this organization and its continuation.

LETTER

from the Editors

As the year winds down and the dust settles from another exciting Nationals, we find ourselves reflecting on just how much heart this community brings to every show season. From the early mornings in the barn to those unforgettable moments in the ring, it's been a year full of dedication, growth, and memories made with both two and four-legged friends.

Nationals always feels like the perfect finale, a celebration of everything our exhibitors, breeders, and owners work toward all year long. The stories, photos, and experiences shared from the event remind us why we love putting this magazine together: it's a chance to showcase the passion, talent, and camaraderie that define the AMHR and ASPC world. We're continually inspired by the creativity and sportsmanship that fill the pages of every issue, and we're grateful to be a small part of documenting such an incredible community.

Now, as we head into the holidays, we're looking forward to cozy barn days, planning next year's goals, and taking a well-earned moment to appreciate the people and ponies who make it all worthwhile. It's a season of reflection and renewal, a chance to rest, recharge, and dream about what's next in the show ring and beyond. Whether you're decking out the barn for Christmas or just enjoying a quiet moment with your favorite horse, we hope you find time to celebrate the simple joys that come with this lifestyle.

From our editorial desk to your barn aisle, thank you for letting us share your journeys, your achievements, and your passion throughout the year. Here's to a joyful holiday season and to another incredible year ahead!

DECODING MOS

The Power Behind the Majority Opinion System

I have been asked to help explain the Majority Opinion System, also known as the MOS system, in a simple way to help folks understand how it works. We'll start by looking at its origin.

The MOS system, used for scoring horse shows, stands for Majority Opinion System and was developed to improve fairness and transparency in judging.

It functions by having three independent judges provide their placings for each horse. The final score is not based on points or interpretations; instead, it is determined by the judges' placements. The system was designed to reduce the potential impact of any single judge's scoring, as all three judges carry equal weight. It provides a more balanced and transparent method of determining results in multi-judge classes.

(continued...)

LET'S TAKE A CLASS EXAMPLE (B JUDGE IS THE CALL JUDGE):

To determine the placings you will put each horses score best to worst. (Ignore which Judge placed it – only the order from highest placing to lowest).

In *Example 1*:

Horse 701 placed 2nd under Judge A, 6th under Judge B, and 1st under Judge C. So ignoring who placed it, the scores highest to lowest would be 1-2-6.

Now look at horse 485, he placed 11th under Judge A, didn't place at all (x) under Judge B and 10th under Judge C. So ignoring who placed it, the scores highest to lowest would be 10-11-x.

So using this placing method this would be the order for the list of horses in *Example 2*.

With a performance driving class it can happen that a horse bucks, breaks, or has a run-off where one Judge sees it but the other do not, or two see it but one doesn't which can result in very different placings based on what each Judge sees.

This can also happen in halter classes where one Judge starts at one end of the line and sees a great showing, but when another Judge walks by the horse rocks back and doesn't show as well.

So with MOS, one placed highest to lowest, you will temporarily ignore the first (best placing) which leaves you the last 2 numbers. This gives you the last two numbers to work with. So by temporarily not using the first number, this is the placings used as shown in *Example 3*:

So looking at the two numbers, the horses will be placed according to the middle (median number) and in the case of two horses having the same second number, then the third number is used. Looking at *Example 3*, we look at the 5th, 6th and 7th place horses.

243	7-9	5th
961	7-11	6th
434	7-x	7th

Judge	A	B(c)	C
1st	282	243	701
2nd	701	282	434
3rd	556	537	502
4th	961	330	537
5th	537	556	556
6th	484	701	282
7th	243	434	961
8th	502	469	469
9th	469	502	243
10th	330	121	485
11th	485	961	330

Example 1

Horse	Placings
282	1-2-6
701	1-2-6
537	3-4-5
556	3-4-6
243	1-7-9
961	4-7-11
434	2-7-x
502	3-8-9
469	8-8-9
330	4-10-11
485	10-11-x
484	6-x-x
121	10-x-x

Example 2

Horse	Placings
282	2-6 1st
701	2-6 2nd
537	4-5 3rd
556	4-6 4th
243	7-9 5th
961	7-11 6th
434	7-x 7th
502	8-9 8th
469	8-9 9th
330	10-11 10th
485	11-x
484	x-x
121	x-x

Example 3

They all had a 7th placing as their second number, so you look at the third number and see that a 7-9 beats a 7-11 which beats a 7-x (no placing by one of the judges).

When there is a tie for BOTH the second and third number, you go back and look at the first number. So let's look at 502 and 469. They both had a 8-9 for their second and third numbers. To break the tie, MOS goes back and now uses all 3 numbers.

502 3-8-9
469 8-8-9

Using all 3 numbers the 502 horse places higher than the 469 horse. In the rare circumstance where two horses can't break the tie because all 3 numbers are the same, it goes back to the call judge. The example above is the first and second place horses (numbers 282 and 701) both have a 2-6 for their two numbers, and when you look at all 3 numbers, they both have a 1-2-6. To break this tie, you would go to the call judges card to see if 282 or 701 pinned higher on their card. So looking at Judge B's placings (call judge). We see 282 was pinned 2nd and 701 was pinned 6th, so 282 was Champion and 701 was Reserve Champion.

It seems difficult, but with a little practice it's actually an easy way to calculate. Some people would want to use a point system, but it would reward the horse that had a bad turnout or runaway in a driving class placing it higher. Using a 10,9,8,7,6,5,4,3,2,1 point system the totals are (see *Example 4*):

With the point system you can see how horse 961 would drop from 6th to 8th behind 434 and 502 who were scored higher by one Judge who may not have seen something the other two judges did, and who scored them lower. Also, horse 485 who placed on 2 judges cards would be out of the top 10 by a horse that didn't make 2 of the judges cards at all. The one placing gave it a higher point score than the horse that placed on two cards.

Horse	Placing
282	1-2-6 =24
701	1-2-6 =24
537	3-4-5 =21
556	3-4-6 =20
243	1-7-9 =16
961	4-7-11 =11
434	2-7-x =13
502	3-8-9 =13
469	8-8-9 =8
330	4-10-11 =8
485	10-11-x =1
484	6-x-x =5
121	10-x-x =1

Example 4

By using the MOS system the majority opinion is based on all three judges regardless of how they placed them, and the decision is made with the middle score as the balancing factor.

*** please note that for the ease of writing this article the term horse is used but it is meant for both horses and ponies synonymously.*

MINIATURE HORSE ASSOCIATION OF ARIZONA

MHAA
MINIATURE HORSE ASSOCIATION OF ARIZONA

A Vision

On November 8, 1983, Arizona miniature horse enthusiasts Joan Solheim and Hermeen Peterson invited every miniature horse owner they knew to a meeting. Their mission: to form a club dedicated to promoting and celebrating the miniature horse.

From that gathering, the Miniature Horse Association of Arizona (MHAA) was born. Just two meetings later, on January 10, 1984, the club officially adopted its constitution and bylaws.

Early fundraising efforts included garage sales, candy bar sales, and silent auctions. Meetings were often held in members' homes, with potluck dinners that became legendary for both their delicious food and the warm, welcoming environment that still defines MHAA today.

Thriving in the Desert Sun

Today, the Miniature Horse Association of Arizona carries forward that legacy of community and hospitality with a growing membership and a robust calendar of events.

MHAA's flagship event, the Touch of Class Horse Show, will celebrate its 40th anniversary in 2026. Held in conjunction with the Kick Off Arizona Show, this four-day event each April at WestWorld of Scottsdale offers a full slate of approved classes - serving as a premier opportunity to qualify for Nationals and Worlds.

But MHAA's impact extends far beyond the show ring. The club hosts: Clinics, Fun shows, Therapy team activities, Trail drives, Social gatherings, and annual awards banquet every January

Thanks to Arizona's abundant sunshine, these activities can take place year-round. Whether you're a seasoned horseman or new to the miniature horse world, MHAA offers a place to belong.

Where Experience Meets Encouragement

MHAA events are rich with camaraderie, where longtime exhibitors and newcomers share advice, swap stories, and support one another - always with their minis in tow.

The club's "My Mini and Me" program promotes public engagement by encouraging members to showcase their miniature horses at events and club activities. Participants earn points throughout the year, with awards presented at the annual banquet.

A new Youth Committee is working to bring more young people into the fold. At recent sanctioned shows, activities like Easter egg hunts, stick horse races, and barrel challenges have added excitement for young attendees. The committee is now developing mentorship-style, camp-like events for youth with and without horses—the first of which is "Jumping Under the Stars," a fun evening of mini jumping under the Phoenix lights.

One touching moment from a recent fun show: a mother and daughter arrived without a horse, and host Alma Ramirez generously offered one of her kid-safe minis for the young girl to participate in a few classes. It's these small acts of kindness that speak volumes about the MHAA spirit.

Fun, Education & Outreach

MHAA strives to keep its shows fresh, engaging, and inclusive. A recent hit has been the \$5 Cones Class—an unrated, open class for under and over horses. It's light-hearted fun, with entry fees going back to the winners.

This year, the club also introduced a new educational opportunity: a seminar and clinic titled "Ask the Judge – The Judge's Perspective." Held by Margo Shallcross following a shorter show day, the session included demonstrations on halter and halter obstacle, plus a block of open Q&A time. It was well-attended and greatly appreciated by exhibitors.

Rooted in Purpose, Focused on the Future

Since its founding, MHAA has remained committed to its mission:

To promote the American Miniature Horse through showing, education, sponsorship, and sportsmanship.

What began with a simple idea between two friends has blossomed into a dynamic and welcoming statewide organization with its sights set firmly on the future.

MHAA holds monthly board meetings via Zoom on the first Wednesday of each month. Quarterly general membership meetings are also held, with voting privileges extended to all members.

Have a fun idea or event that's worked well for your club? MHAA would love to hear from you! Sharing inspiration on social media helps everyone grow.

To learn more about MHAA or to join in the fun, visit our website and follow the club on Facebook!
