Proposed Rule Change (provide desired language and intent of rule):

Add (modify): 7. Harness should be of light type, with appropriate collar or breast style, breeching is required. Open bridles are permissible, checks and/or martingales are optional.

Delete: 8. Breeching is required.

Reason/Justification for Rule Change (provide brief description of why this needs changed/added)

The reason we felt that this rule needed to be changed is because harnesses need to be used that are appropriate for this division. We have not seen any chariots being pulled by heavy hitch harnesses in any movies that we are aware of.

Proposed Effective Date: 01/01/2021

Committees/Rules that will be effected by change: ASPC/AMHR
